*****\$500 Stipend will be provided to participants who attend the full three-weeks of programming***

Please note application deadline April 26, 2023 by 5pm.

Brief Description of the Program: The Program's goal is to promote STEM interests and build STEM identity through competence, performance, recognition, and co-curriculum engagement. The Summer Science Scholars (SSS) Program will run from 9:00 a.m. to 3:00 p.m. Monday through Friday for a three-week period. No program on June 19th. Students will be learning various STEM skills in the first week and applying the skills learned to a research project of their choosing. Information on navigating the university application process, financial literacy, STEM career exploration and community building will be components of the program. On the last day of the program, students will present their research project to their friends, family and teachers via an in-person presentation.

If you have questions regarding our program, send us an email to case@msudenver.edu or call us at 303-615-0294.

BEHAVIORAL GUIDELINES

In order to create a rewarding and successful Summer Science Scholar Program, participant behavioral guidelines must be followed. This contract explains what is expected of participants during the three-week program.

- a. Participants are expected to follow instructions from instructors and program mentors.
- b. Participants are always to remain in the classroom or designated area with other students, mentors and instructors.
- c. Participants will be responsible for working carefully, safely, and cooperatively with others. In addition, participants will immediately inform the Director/staff/mentors of any concerns.
- d. Lunch and snacks will be provided. Participants who bring valuables do so at their own risk (such as jewelry, cell phones). If student does bring a cell phone, they are expected to keep their cell phone on vibrate while at the program. Bringing money or other valuables is strongly discouraged.
- e. Participants will be considerate of speakers, faculty/instructors, facilities, and other students. **Disruptive, inconsiderate, and bullying behavior (including actions and/or language) will not be permitted and the participant will be asked to leave the program.**
- f. Follow all required health and safety protocols. Not following protocols will result in the participant being asked to leave the program.

Disciplinary Procedures

If the participant is not behaving according to the guidelines, they will be removed from the class and made aware of their behavior. Furthermore, the parent/guardian of minors will be made aware of the situation. If the behavior does not improve, the student will be asked to leave the program and will forfeit the stipend.

Your signature is your acknowledgement that you understand the rules and are willing to adhere to all the behavioral guidelines.
