Replacement Courses

- Replacement courses allow students to search for courses to complete at another school that they can transfer back to their current institution.
- A list of schools will show with the courses that can be taken elsewhere to transfer back
- Helpful for students needing an on-campus summer course

The screenshot shows a web interface for finding replacement courses. At the top, there are navigation links: "Will My Courses Transfer?" and "Find a Replacement Course". Below this is a header with "Favorites (2)", a notification bell with "0", and a user profile icon. The main content area is titled "t Course" and includes a sub-header "Start Over". Below the header, there are search filters for "Metropolitan State University of Denver" and a search bar. A table lists courses with columns for course name and hours. The table shows three rows: "ES OF MATHEMATICS LABORATORY FOR RY 1100" (1 hour), "MATICS FOR LIBERAL ARTS" (3 hours), and "MATICS FOR LIBERAL ARTS WITH" (3 hours). To the right of the table is a "Search for" button. Below the table, there is a "Help & Feedback" button. The bottom section of the screenshot shows a "1 Course Match" result for "Community College of Denver". It states: "The matches below indicate specific courses you may be awarded after completing and transferring. Matches may change depending upon your major." Below this, it says "For credit at Metropolitan State University of Denver" and lists two options: "MTH1080 MATHEMATICS FOR LIBERAL ARTS take MAT1240" and "MTH1080 MATHEMATICS FOR LIBERAL ARTS take MAT120".
