

Classroom to Career Hub

INDUSTRY PARTNERSHIPS

Investing in a sustainable future for the state's students, communities, and workforce

The Classroom to Career (C2) Hub focuses on the Colorado economy and anticipated growth industries to develop relationships between the University and organizations in those fields.

As part of the C2 Hub, the Industry Partnerships team connects our diverse student population to prospective employers in a variety of industries that are aligned to students' career ambitions.

While each partnership varies, the priority is expanding career opportunities for MSU Denver students through relevant career development programs and experiential learning while supporting the talent pipeline of organizations.

Help MSU Denver scale its impact!

We are looking for partners from any industry who are willing to share ideas, explore opportunities or invest in this revolutionary new approach to higher education.

Why it matters

Grow Your Own

MSU Denver is the University best positioned to answer workforce demand: 96% of our students are from Colorado and 80% of our graduates stay in Colorado after graduation. Upskilling local talent results in less cost for companies and better long-term outcomes for students and local communities.

Diversifying the Workforce

The C2 Hub provides companies a direct line to a workforce and talent pipeline that reflects Colorado and provides all students equitable career opportunities. At MSU Denver, 57% of undergraduates are first-generation students and 48% are students of color. We have a thriving LGBTQ community and more than 1,000 military veteran students.

MSU Denver's Industry Partnerships team engages industry, campus and community stakeholders in mutually beneficial experiences to provide students with robust, career-focused opportunities.

Connect with MSU Denver

Talent Pipeline

Participate in recruiting events and post opportunities for jobs, internships, service learning and volunteering.

Diversity, Equity and Inclusion

Build a more diverse and inclusive work environment by investing in top talent and accessing equity resources that support diversity recruitment.

Branding and Partnerships

Advertise and engage students through mentoring, guest lecturing, scholarships and student services. Collaborate with faculty experts on research and assessment projects.

Professional Learning & Development

Develop your employees with certificates, undergraduate degrees, master's programs, and continuing education.

Industry Partnerships

FINANCIAL SERVICES

The MSU Denver College of Business is accredited by AACSB International, putting us in the top 5% of business schools worldwide. The faculty leading our programs are industry professionals committed to providing our students with a high-quality education.

Interested in recruiting our students?

Consider attending our recruiting event specific to students interested in financial services roles, Meet the Firms. Meet the Firms is the largest recruiting event for accounting, finance, and banking students and takes place in the Fall and the Spring. Co-sponsored with the Accounting Student Organization, this is an excellent professional networking opportunity for students and staff.

Engagement Opportunities Outside of Recruitment

Each Fall we host an event called Diversity in Finance. We invite diverse team members from our partners to participate in a panel discussion where they share their journey in the industry and how their organization values and champions diversity. It's a fantastic opportunity for our students to see themselves represented in your organization and for our partners to build their brand awareness on campus.

Accounting Student Organization (ASO)

A student organization that assists business students in gaining a complete accounting education. Support during the academic year as a guest speaker or even a mentor. Please contact ASO at aso@msudenver.edu to schedule a time to connect with the group.
