

BS in Real Estate

Unlock your Future!

Employment in Real Estate is projected to grow 3% from 2022 to 2032 according to the Bureau of Labor and Statistics. Colorado is one of the states with the highest employment level in Real Estate Brokers and one of the states with the highest concentration of jobs in Real Estate.

Become a part of this exciting and diverse field with a Real Estate degree from Metropolitan State University of Denver.

The College of Business features a diverse faculty with expertise in real-world organizations and business to teach students relevant skills and knowledge, whether you need individualized attention, online options, or a flexible schedule.

- Class sizes average 25 students.
- Classes are taught by full-time faculty members, not graduate assistants.
- Accessible, flexible courses for busy students are offered on campus and online.
- Business classes focus on building the skills students need to progress their career, including business writing, presentation, team decision making, and analysis.

Why Major in Real Estate?

The Real Estate Degree is a Bachelor of Science Program within the College of Business. Real Estate majors may either pursue a concentration in Property Management, Appraisal and Title, Real Estate Investment and Asset Management, or complete the major without a concentration by choosing from a set of courses in consultation with an advisor. The Real Estate Major, B.S., will lead to various licensure and certification options for our students. Students may add an optional International Business Concentration.

Small Classes Taught by Dedicated Faculty

Our small class sizes (with an average of just 25 students) enable you to actively interact with your professors and your peers. Our faculty are student and teaching focused, experienced, and nationally recognized.

Every MSU Denver BS degree in Business also features a rigorous core of business classes, so that you'll learn foundational skills in business writing, communication, management, marketing, analysis, accounting, and more.

Abundant Internship and Placement Opportunities

The Applied Learning Center is always available to assist you in finding an internship.

Internships enhance your education through work experiences related to your academic major or minor. The Applied Learning Center provides resources to help you find and select an internship that advances your career goals. Once you have an internship, they can also help you get the most out of it and also help you get academic credit.

Accredited by AACSB International

The MSU Denver College of Business has been accredited by AACSB, which is the preeminent worldwide standard-setter for quality in business education. Globally, only 5% of business schools are accredited. Accredited schools must uphold the highest standards and commit to continuous improvement. It serves as the marker of a world-class business education—not only for students, but also for employers who demand the best from graduates.
