	General Elective (3-6)*****	

* BIO 1080/1090 is a required prerequisite course as well as counting towards the Natural and Physical Sciences general studies.

**Either MTH 1210 or PSY 2310 is required for this degree. If students have taken PSY 2310 then they are not required to take MTH 1210 and can take any other Literacy general studies course.

***ITP 2000 (1 credit) has been replaced by ITP 1000-Health Career Foundations (3 credits).

**** See advisor for appropriate course.

*****If completing internship as 6 credit hours than only 3 credit hour general elective is needed.
