

Student Affairs Committee Bylaws

Section 19

19.1 Duties.

The Student Affairs Committee shall:

19.1.1 make recommendations to the Senate concerning all problems relating to student welfare (except academic standards and policies) including but not limited to:

- a) Student Union Facilities
- b) Club activities
- c) Student rights and responsibilities
- d) Student Activities
- e) Allocation of student funds

19.1.2 have the sole authority to appoint faculty representation to the Student Affairs Board. The Student Affairs Board recommends to the college administration the allocation of Student Affairs Fees moneys.

19.1.2.1 The committee shall appoint these representatives, as defined by the by-laws of the Student Affairs Board, from the membership of the committee. If no committee member can serve in this capacity, or if there are an insufficient number of committee members able to serve to fulfill the required representation as defined by the by-laws of the Student Affairs Board, the committee shall recruit from outside the committee in the following order: 1. from the membership of the Faculty Senate at large 2. from the general faculty.

19.2 Membership.

The Student Affairs Committee shall consist of three (3) members

chosen according to ARTICLE III, Section 2 of the Bylaws. A representative from Student Government: The Student Advocacy Council (SG: TSAC) and a staff member from the Division of Student Affairs will serve as advisory members. (Amended April 2024)

19.3 Student Representation.

A committee representative will regularly meet (at least once a semester) with representatives of SG: TSAC to hear questions, concerns, and opportunities to collaborate from that group.

19.4 Staff Representation.

A committee representative will regularly meet (at least once a semester) with a representative of the Division of Student Affairs to hear questions, concerns, and opportunities to collaborate from that group.
