

Entrepreneurship

Bachelor of Arts

The Entrepreneurship Bachelor of Arts degree gives students the tools to run with new ideas.

Encouraged through a culture that inspires an entrepreneurial mindset, students apply course concepts to create their own business.

EXPERIENCE MATTERS

The Center for Entrepreneurship coordinates multiple events for our students:

Launch Denver is a free 10-week business startup workshop that guides participants through the process of starting and growing a business.

Pitch Competitions give our students a platform to pitch their business ideas to a panel of area business leaders.

Business Plan Competitions give our students the opportunity to identify innovative opportunities and communicate their vision through a business plan.

IGNACIO SALAS WON THE CENTER FOR ENTREPRENEURSHIP'S PITCH COMPETITION WITH HIS IDEA FOR RECYCLED AND RECYCLABLE PLASTIC SHIPPING PALLETS.
