

Faculty/Staff Guide to Student Resources

MSU Denver has a diverse array of student service offerings and programmatic opportunities in which students may engage. Faculty and staff serve a critical role by helping refer students to relevant services. This guide is designed to be an 'at-a-glance' resource for colleagues about most – but not all – of the available student supports. For more information or assistance, please call or visit the program's website for the latest updates and details about specific offerings.
