Agenda

- C2Hub Overview
- When to start Career Planning
- Internships and research opportunities
- Is Graduate School the right next step

What is the Classroom to Career Hub? (C2 Hub)

- The C2 Hub represents a comprehensive approach to career development for MSU Denver students by integrating career activities more intentionally throughout the full Roadrunner experience

Classroom to Career Hub

Student Success

- Exploratory Advising
- Scholarship Programs
- Career Advising
- Career Peer Mentoring Program
- Career Workshops & Programs
- Resume Support
- Job Search and Mock Interview Assistance
- Graduate school preparation

Industry Partnerships

- Job Fairs, Employer and Industry Events
- Job Postings, Network Opportunities
- Job Shadowing & Professional Mentoring

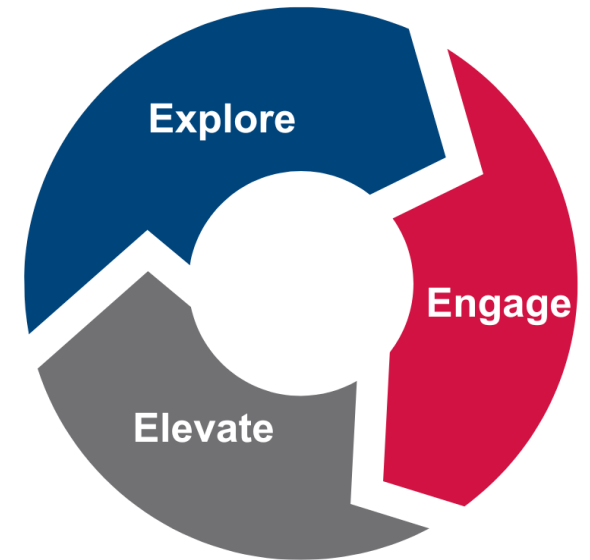

Faculty Engagement

- Experiential Learning
- Graduate Studies Support
- Earn and Learn Program

Explore

- Learn more about myself, my values, my interests, strengths, etc.
- Challenges you want to solve
- Take classes, participate in career programs and workshops
- Meet with an academic advisor

Three E's

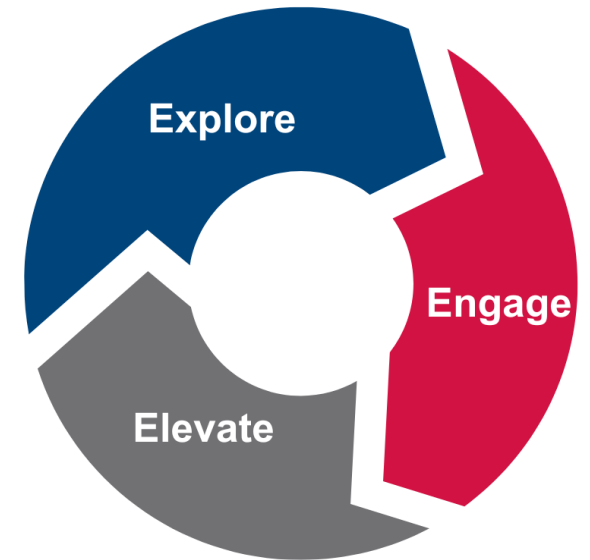

C2hub resources for Exploring:

- Career Counseling appointments
 - Challenge cards
 - Career assessments
 - Values
- What Can I do with this Major and Vault
- Onet/Occupational outlook

Engage:

- Work with a career advisor to help me find an internship or part time job
- Participate in undergrad research
- Join a club or professional association
- Study abroad

Three E's

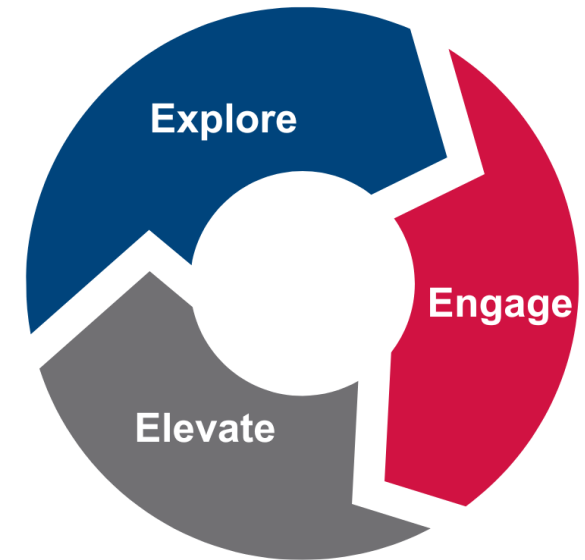

C2hub resources for Engaging:

- ICAP
- Career Trek
- Undergrad Research
- Student employment – research assistant, lab tech, teaching assistant/Supplemental Instruction leader

Elevate – last two semesters

- Utilize Career Advising
 - Gain interview skills
 - Resume and cover letter review
 - Gain access to job search sites
 - Optimize your LinkedIn Profile
 - Graduate school

Three E's

C2hub resources for Elevating:

- Internships
 - Where to find one?
 - Why do I need one?
 - What if I'm busy or working already?
 - Can I get academic Credit?

Discussion:

1. Where are you in the three E's?

- Exploring?
- Engaging?
- Elevating?

2. What is one resource you will use to help you throughout that phase?

Grad School vs Career path

- What are your options for both?
 - Do you know how to fund grad school?
- Do you know what you want to zoom in on studying yet OR do you need more experience?
- Do you need to go to grad school? What is the ROI? Salary caps if you don't?
- <https://www.onetonline.org/> and <https://www.mynextmove.org/find/zone#5> – Use the Job zone feature!
