Meet Our New Tutor Assistant Dr. Hubert Humerus

I want to thank our STEM Learning Center tutors for connecting us with Dr. Humerus, who will be assisting students in their studies of bones. Dr. Humerus will be available to students Monday through Friday, 7:00 a.m. - 7:00 p.m.

Additionally, Dr. Humerus is looking to sport some team spirit! If you would like Dr. Humerus to wear your team's t-shirt or accessories, please drop them off at the STEM Learning Center SI 1009.

CASE in Point is our way of showcasing achievements (large and small) by our students, faculty, and staff each month.
