

# MARIACHI WORKSHOP

FOR MUSIC EDUCATORS

This full-day Mariachi Educator Workshop is designed for teachers currently teaching mariachi or those interested in starting a mariachi program. Participants will explore authentic, culturally responsive teaching strategies through focused presentations and a collaborative roundtable discussion. The day also includes hands-on ensemble experiences, where educators will play mariachi repertoire together and learn instrument-specific techniques unique to the tradition.

Presented in partnership with Viva Southwest Mariachi Festival and the Cuerdas y Canciones Center for Mariachi Arts and Culture, this workshop offers practical tools, musical growth, and meaningful connection with fellow mariachi educators.

**Join us and strengthen your mariachi teaching practice—register today and be part of this valuable professional learning experience.**

April 18, 2026  
9:00am-3pm

King Center
