

TRANSFER ARTICULATION AGREEMENT

between **Community College of Denver Associate of Arts Degree in Industrial Design Practice** and **Metropolitan State University of Denver Bachelor of Science degree in Industrial Design**

hereafter referred to as **Partner Institutions**

The program outlined in this Agreement is a Denver Direct Pathway (DDP)

Introduction to Specify Programs and Institutions

This Agreement guarantees the transfer of students within the Associate of Arts Degree in Industrial Design Practice, Community College of Denver and Bachelors of Science in Industrial Design, Metropolitan State University of Denver. Community College of Denver students who have declared the Associate of Arts Degree in the Denver Direct Pathways (DDP) and are ready or preparing to graduate are covered by this Agreement.

Statement of Intent

The intent of this Agreement is to facilitate the successful transfer of a student from Community College of Denver upon earning a credential to Metropolitan State University of Denver to earn a baccalaureate degree within a 2+2 model. Community College of Denver will identify students who are part of this Agreement in their student information system.

Statement of the Basic Agreement

Metropolitan State University of Denver agrees to accept credits for students who have completed an Associate of Arts Degree in Industrial Design Practice as outlined in attached DDP Program Map. These documents are hereby incorporated and made a part of this Agreement. This Agreement does not apply to students transferring with a different degree or choosing a different major or program at Metropolitan State University of Denver. Completing the program in 4 years per this agreement is dependent on the student following the prescribed degree map. Any variance may result in additional time to degree at Metropolitan State University of Denver.

Changes in Curriculum or Program Requirements

- a. This Agreement constitutes the entire Agreement between the parties. This Agreement shall be reviewed every five years by the parties unless significant curriculum and/or program changes mandate an earlier review—in which case, the institution will notify the other party to this Agreement in writing that changes impacting (or potentially impacting) this Agreement have occurred. If deemed appropriate, a new agreement will be generated and signed. Significant curriculum changes must be communicated in writing no later than March 30 of any academic year by the Registrar.
- b. Each Partner Institution assumes responsibility for informing their students of curricular revisions that would impact student planning and/or degree completion. In the event graduation requirements for the bachelor's degree at Metropolitan State University of Denver change within this time, students who have declared this program at Community College of Denver will have their academic plan honored for 4 years beyond the date of the change.

Admission and Matriculation

- a. Students who have completed a DDP approved associate degree from the Community College of Denver with at least a 2.0 GPA (C average) will be automatically accepted in the same pathway at Metropolitan State University of Denver. Students who are automatically accepted to Metropolitan State University of Denver through DDP will have the application fee waived. Students who complete the program at Community College of Denver will be admitted to Metropolitan State University of Denver. However, prior to admission to some programs, additional requirements, such as a background check, may be required.

b. This Agreement reflects the academic graduation requirements for this DDP. Students may be responsible for completing non-course work requirements in effect at the Partner Institution at the time of their matriculation.

Guarantees

- a. Courses contained within the attached Plan of Study Map will fulfill the relevant course requirements in the designated major and general education courses. Any additional courses taken in the discipline not covered by this Agreement may not count toward the requirements of the major at Metropolitan State University of Denver.
- b. Only courses with grades of C or higher are guaranteed to transfer. All transfer general education courses must be Colorado Department of Higher Education Guaranteed Transfer (gt) Pathways approved. Should curricular changes to this Agreement occur, students identified as part of this Agreement will not be penalized nor incur credit loss.
- c. To transfer under this Agreement to Receiving Institution, students must have graduated from Community College of Denver.
- d. The Receiving Institution shall accept all applicable credits earned within ten (10) years of transfer to Metropolitan State University of Denver on. Credits earned more than ten years earlier will be evaluated on a course-by-course basis.

General Provisions

- a. In carrying out the responsibilities and obligations of this Agreement, no party shall be acting as the agent or principal of another institution with regard to dealings with third parties, including students.
- b. This Agreement will be promoted as a Denver Direct Pathway. Denver Direct Pathways is a cross-institutional pathways design process to increase successful transfer and credential completion.

Signatures

The parties hereto have executed this Agreement on the day and year of the last date accompanying the signatures.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Community College of Denver (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
