

# WHAT TO DO IF YOU ENCOUNTER ICE

## 1. Ask if you're free to go

- If yes, step back to a safe distance.
- If not, do not resist, follow instructions, and focus on the officers so you'll be able to remember the details later.

## 2. Carry physical identity documents.

## 3. Make a preparedness plan

- Consider kids, pets, finances, and possessions.
- Memorize phone numbers.
- Check out the [Family Preparedness Plan](#) and the [Immigrant Preparation Packet](#)

ILRC FAMILY PLAN

## 4. Carry important medication in the pill bottle.

## 5. Consider your right to remain silent vs. expressing fear.

## 6. Take off biometric phone access. Use a good password or PIN.

## 7. Register with your consulate.
