### Special Designation Identification

Please select any designations that this course holds. All special designations will be removed from a course that is archived or deleted. If the course is archived and later reactivated, the course will need to reapply for special designation(s).

If you are unsure what designation(s) this course holds, please consult the course description in the [current catalog](#).

**Please check any of the below designation that this course carries:\***

- General Studies
- Multicultural Education
- GT Pathways
- Senior Experience
- Service Learning
- None

**Please confirm that:\***  I, the originator, understand that a course must be removed from all locations it is listed in the catalog via curriculum proposals before it can be archived or deleted. I, the originator, have included ALL impacted college/schools and departments in this proposal. I understand that if a department is NOT included that should be, I will have to recreate my proposal.

## Part II: Course Information

Prefix:\*

CS

Course Number:\* 3510

Course Title:\* Computer Graphics
