

Welcome to MSU Denver Faculty Senate

Shared Governance Statement

Within the University's statutory role and mission and the Board of Trustees' operational mission, all constituencies have a role and a responsibility to assist the University to achieve excellence in all areas of University activity. The Board of Trustees welcomes and expects the participation of faculty, students, staff and other University constituencies in the decision-making process. The Board of Trustees delegates to the President, as the chief executive officer of the University, full authority and responsibility for administering the University within the policies and procedures established by the Board of Trustees.

The President must establish and maintain an open environment of communication with all members of the University community and establish avenues for consultation and recommendation by faculty, students, and staff regarding policy matters considered by the Board of Trustees. The Board expects the President to elicit the participation and facilitate the fulfillment of the roles and responsibilities of the University's constituencies and organized, constituent groups in the University's internal, decision-making processes through the University's Shared Governance Council. It is through the initiative, participation and effort of all the University's constituencies that excellence is achieved.

Opportunities, Expectations, and Responsibilities

Definition

The Faculty Senate of the Metropolitan State University of Denver officially represents faculty members in all matters of interest and concern. These interests and concerns include, but are not limited to, receiving and making recommendations on current and proposed changes in academic, administrative, fiscal and personnel policies.

The Faculty Senate is the defined interface between the administration and the faculty at MSU Denver. We are the voice of the faculty and the information conduit between faculty and administration. As a Faculty Senator, you are the voice of the faculty. Full time Faculty Senators advocate first for your Department and then for your College or School. Affiliate Faculty Senators advocate for all affiliate faculty.

Focus of service

Much of the work Senators do ensures that faculty will be able to continue providing high quality education to students. For example, the Faculty Senate works on improving curriculum and academic policies. The Faculty Senate also advocates for faculty with respect to quality of life and work, which involves issues such as salary, benefits, and retirement.

As a Full-time Faculty Senator from your Department (and College or School), you will have the opportunity to represent the best interests of your Department. To be able to accomplish that valuable representation there are expectations for each Senator outlined below.

As an Affiliate Faculty Senator, you will have the opportunity to represent the best interests of all affiliates. To be able to accomplish that valuable representation there are expectations for each Senator that are outlined below.

Attendance

Full-time Faculty Senators are elected by their departments to serve a two-year term. The term of office begins with the last regularly scheduled meeting in the Spring semester. Senators are expected to attend bi-weekly meetings throughout the term. If you are absent for three consecutive meetings, the Senate President shall notify the Senator's Department Chair and the Senator may then be replaced by another faculty member within the department.

A Department may also recall a Senator if they perceive the Senator is not representing the Department's interests. In the event of a recall, the Department Chair shall notify the President of the Senate of the recall, who shall cause the roster to be amended accordingly.

Affiliate Senators are elected by all affiliate faculty employed at MSU Denver to serve a one-year term. The term of office begins with the last regularly scheduled meeting in the Spring semester. Senators are expected to attend bi-weekly meetings throughout the term. If you are absent for three consecutive meetings, the Senate President shall notify the affiliate faculty member and the Senator may then be replaced by another affiliate faculty member employed at MSU Denver.

Committee Work

The Faculty Senate accomplishes their work through committees. Besides committee work, Faculty Senate has no other way to fulfill its duties. Therefore, it is important for each member of the Faculty Senate, when possible, to participate on one or more committees. These committees are:

Academic Policies (APC)

Budget

Curriculum (FSCC)

Faculty Diversity

Faculty Awards of Excellence (FAE)

Faculty Welfare

General Studies

ESSJ Curriculum Review

Professional Leave

Reappointment, Tenure and Promotion (RTP)

Rules

Student Affairs

More detailed information on each committee's duties can be found on the Faculty Senate website.

As a Faculty Senator, you are free to volunteer for any committee where there is a relevant vacancy. Strategies in joining a committee may be the best interests of your Department, personal interest, personal expertise, etc. Members of standing committees (besides EC) serve a two-year term; and there is a two-consecutive-term limit. No Senator may serve on more than two standing committees at one time.

Affiliate Faculty Senators are required to serve on the Welfare Committee during their term. They are expected to maintain the same level of participation as other members of the committee.

The Faculty Senate also appoints representatives to numerous university wide committees as needed.

Your Role

As a Full-time Faculty Senator, one of your roles is to serve as a liaison between your Department (College or School) and the Faculty Senate. Thus, you should communicate with your Department Chair and faculty members in your Department on what is happening in the Faculty Senate. You should also be willing to bring your Department's concerns before the Faculty Senate as a whole.

As an Affiliate Faculty Senator, one of your roles is to serve as a liaison between all employed affiliate faculty at MSU Denver and the Faculty Senate. Thus, you should communicate with all affiliate faculty on what is happening in the Faculty Senate (an email distribution list can be accessed through the Assistant to the Faculty Senate). You should also be willing to bring affiliate faculty concerns before the Faculty Senate as a whole.
