DEGREE REQUIREMENTS 2026-2027

Industrial Design Minor

There is an increasing trend in business to value individuals who have education backgrounds in both business and a technical field such as Industrial Design. Therefore, this minor would be an excellent option for majors in the School of Business. The minor may also receive interest from students in areas that are linked to design such as, Art, Communication Design, Advanced Manufacturing, and Engineering.

Minor not required for IND majors.
