AURARIA CAMPUS
SCAVENGER HUNT

1. Find the building with a blue roof and red brick. This historical building was once a mall. Now it serves as the **Student Union** for the Auraria Campus. Name 3 things found in a mall that are also here!

2. Swimming pool, yoga rooms, and a climbing wall, at the **University of Colorado Denver Wellness Center** you will have a ball! What year do you think this building was built?

3. Stop by the **Metropolitan State University of Denver Recreation and Events Center**. What national championship sports team plays here?

4. Find the place filled with stories! shared by all three Auraria institutions, this building has many pages in its inventory. Can you guess how many books fit in the **library**?

5. Next door, we'll visit the **Community College of Denver Confluence Building**! CCD's mascot is named Swoop- can you guess what kind of animal Swoop is?

6. Finally, you'll notice a historical yellow and blue building called **St. Cajetan's.** What do you think this building was originally used for?

Follow the clues to find each item on the list and check it off when found!

Middle School Monday

UCD

The Wellness Center

There is a pool, rock climbing wall, indoor track, cardio and weight equipment, nap room, group fitness classes, and more. It is only for CU Denver students and was established because of a student-driven effort to create a new space for students that will be a campus focal point for decades to come. There are also breakout spaces throughout the facility where students can relax, study, and eat.

Another resource to address in the WC is Single Stop. Single Stop at CU Denver connects students to local community and governmental resources (e.g. SNAP and Medicaid) that can help them overcome barriers to basic needs.

This is also where the food pantry is located. All students are allocated 10 points each week to use items from the Lynx Food Pantry.
